

YHA Manorbier

PRO-ACTIVE ADVENTURE Ltd

Manorbier is set on top of beautiful cliff tops in Pembrokeshire, overlooking the Iris Sea. It is a really fantastic location reached by a private road from the nearby village. It is our main operational centre with the YHA in South West Wales. Here we specialise in water sports however we do have a broad selection of other activities on offer as well.

On site we have: Archery, BMX Biking, Bush Craft and Team initiative Games. Just at the bottom of the cliffs reached by steel staircase is a lovely beach where we can join in Beach Games, Kayak Surfing Rock Pooling and Coasteering.

The building has modern furnishings and is well maintained throughout. There is a teachers kitchen on a quiet room for pupil who may want to read or just enjoy some time to themselves. There are 69 beds in 14 rooms, the building can be sectioned off and secured if there are two or more schools in at a time, however there is a communal games room if everyone wants to socialise.
